

## **PATRICIA LOUGH**

Patricia was born in 1945 in Sussex, England. Her parents emigrated to NZ when she was ten and her brother was two – a move they never regretted. She met her future husband at a friend's wedding and they were married in 1967. They have two married sons and four grandchildren. Lucky for her, both families live in Auckland. Patricia's working life both here and in UK (her big OE) was as a secretary to a variety of bosses and businesses. She guesses that is why she tends to boss around our Chairman! Her interests are gardening, scrapbooking, gardening, card making, gardening, genealogy, gardening and coming to terms with the foibles of her computer programmes – with the help of SeniorNet.
